*1 for the eco 40-60 programme.

Off-mode (W) (if applicable)

Delay start (W) (if applicable)

Minimum duration of the guarantee offered by the supplier

This product has been designed to release silver ions during the washing cycle.

NOTE

- Scan the QR code on the energy label supplied with the appliance, which provides a web link to the information related to the performance of the appliance in the EU EPREL database. Keep the energy label for reference together with the owner's manual and all other documents supplied with the appliance.
- The model name can be found on the rating label of the appliance, open the door which is just around the opening to the drum.
- To find the same information in EPREL, visit https://eprel.ec.europa.eu and search using the model name.
